

# Insurance Law and Regulatory Compliance

**Duration:** 5 Days

**Language:** en

**Course Code:** PO5-125

## Objective

By the end of this course, participants will be able to:

- Understand the fundamental legal principles of insurance law.
- Analyse the regulatory frameworks governing insurance operations.
- Identify compliance obligations for insurers, intermediaries, and stakeholders.
- Evaluate the role of regulators in ensuring fairness and stability in insurance markets.

- Apply compliance strategies to manage legal and operational risks effectively.

## Audience

This course is ideal for:

- Insurance professionals and compliance officers.
- Legal advisors and in-house counsels.
- Risk managers and auditors.
- Regulators and policymakers in the insurance sector.
- Executives and managers in insurance companies.

## Training Methodology

The course uses a mix of interactive lectures, case studies, and real-world examples. Group discussions and regulatory simulations will help participants apply legal and compliance principles to practical scenarios.

## Summary

This specialised training course provides a comprehensive overview of the legal and regulatory environment governing the insurance industry. It covers essential legal frameworks, compliance requirements, and regulatory practices that shape how insurance companies operate across different jurisdictions. Participants will explore the intersection of law, risk, and compliance, and understand how regulations aim to protect policyholders, ensure fair practices, and maintain financial stability.

The course highlights global perspectives, focusing on best practices, challenges, and evolving regulatory trends, while equipping participants with the tools to navigate complex legal and compliance issues in the insurance sector.

## Course Content & Outline

### Section 1: Introduction to Insurance Law

- Fundamental principles of insurance contracts.
- Rights and duties of insurers and policyholders.
- Key concepts: indemnity, insurable interest, utmost good faith.
