- Enhance executive presence and support leadership with confidence and clarity.

## **Audience**

#### Ideal for:

- Executive Assistants and Personal Assistants
- Office Managers and Administrative Professionals
- Project Support Officers
- EAs seeking to strengthen leadership, influence, and emotional resilience

# **Training Methodology**

The programme uses interactive discussions, real-life scenarios, reflective exercises, role-play activities, and tools for daily emotional intelligence practice. Each module offers practical takeaways that participants can implement immediately.

## **Summary**

This specialised course equips Executive Assistants with the emotional intelligence (EQ) tools required to excel in high-pressure executive environments. As EAs frequently navigate complex interpersonal dynamics, manage sensitive information, and serve as communication bridges,

emotional intelligence becomes a critical enabler of influence, resilience, and professional growth.

Participants will learn to manage their emotions, understand others' motivations, and foster productive relationships across the organisation. Through practical frameworks and scenario-based learning, this programme strengthens self-awareness, empathy, conflict management, and executive presence — transforming EAs into trusted advisors capable of supporting leaders effectively and strategically.
