

Develop Effective Interpersonal Skills

Duration: 5 Days

Language: en

Course Code: MG1-111

Objective

Upon completion of this course, participants will be able to:

- Identify the core elements of effective and honest communication.
- Cultivate interpersonal behaviours that foster positive working relationships.
- Describe the core elements of teams and team development.
- Use conflict resolution skills to negotiate and resolve conflict positively.
- Express enhanced characteristics of personal empowerment, influence, and productivity.

Audience

This course is intended for:

- Office Managers, Coordinators, and Supervisors
- Senior Administrators and Secretaries
- Anyone looking to enhance their interpersonal and communication skills

Training Methodology

This course uses a variety of adult learning styles to aid full understanding and comprehension. Participants will review case studies to highlight key areas of importance and possible areas for faults. They will be supplied with the best tools required for learning exercises to improve their skills. Participants will analyse the examples to thoroughly understand how these skills, techniques and methods apply in the workplace.

Summary

Effective interpersonal skills are essential to working in a team and achieving shared goals. These skills help you successfully navigate interactions with others and understand them better. Today, professional success is especially tied to interpersonal effectiveness, enabling you to communicate and collaborate well with your colleagues.

This course provides the key strategies and techniques to develop impactful professional relationships, refine your emotional intelligence, and effectively engage with people. In addition to developing a range of interpersonal skills to help you professionally, you will also focus on growing your personal productivity.
