

Time Management & Avoiding Procrastination

Duration: 5 Days

Language: en

Course Code: MG1-104

Objective

During this course, you'll learn to:

- Effectively plan your workload.
- Understand prioritisation methods and discover what's most important.
- Find innovative solutions to avoid procrastination proactively.
- Motivate and inspire your peers and colleagues to work collaboratively towards deadlines.
- Learn creative influencing techniques to complete work at the earliest opportunity.
- Evaluate critical projects to provide a fast turnaround.
- Lay out accurate project plans and delegate to the most relevant team members.

Audience

This course is perfect for anyone who struggles to meet deadlines or wants to sharpen their productivity skills. It offers essential tricks and tools ideal for:

- Secretaries, clerks or administration employees.
- Department managers looking to get more from their workforce.
- Developing front-line team members.
- Project Managers.
- Team Leaders, Supervisors or Shift Planners
- Finance Professionals or Purchasing Teams.

Training Methodology

This training course is structured to cater to all learning styles, with concise video content, downloadables, presentations, and helpful tools and tricks to insight discussion. It contains real-life scenarios, practical exercises, and case studies to encourage group work and role-play and aid comprehension and retention of information.

Summary

This program emphasises the critical role of productivity in achieving personal success and organisational excellence. Effective task management, team collaboration, and continuous assessment of improvement areas are essential to staying ahead of the competition. Adhering to strict deadlines is crucial to maintaining momentum and progress.

You will delve into priority management and strategies to combat procrastination, which are vital to sustaining your business. Additionally, you will learn how to instill time management skills within your team, ensuring deadlines are met, and customer and stakeholder expectations are exceeded. This program is essential for anyone aiming to meet significant objectives and drive organisational success.
