

Strategic Communication And Effective Policy Management

Duration: 5 Days

Language: en

Course Code: PM2 - 120

Objective

Upon completion of this course, participants will be able to:

- Understand the role and functions of a communication department.
- Develop and implement effective policies and procedures.
- Manage and lead communication and PR teams.
- Design and oversee comprehensive communication campaigns.
- Implement best practices in press office management.
- Measure and evaluate communication effectiveness.

Audience

This course is ideal for senior communication and PR professionals responsible for designing, managing, and implementing communication strategies and campaigns. It suits those leading communication departments or teams and anyone involved in strategic communication planning and policy development.

Training Methodology

The training will blend interactive lectures, case studies, group discussions, and practical exercises. Participants will engage in real-world scenarios to apply learned concepts and receive feedback on their performance.

Summary

This course will equip senior communication and PR professionals with advanced strategic communication, policy formulation, and team management skills. Participants will learn to develop and manage effective communication strategies, implement robust policies and procedures, and lead PR teams to achieve organisational goals.
