

## Advanced Presentation Skills

**Duration:** 5 Days

**Language:** en

**Course Code:** MG1-101

### Objective

Upon completion of this course, participants will be able to:

- Deliver a memorable, well-designed and professional presentation
- Practice the most recent and effective presentation skills
- Boost confidence and control nervousness
- Read your audience and deliver your presentation accordingly
- Use technology to design effective visual materials
- Understand listener behaviour and answer their questions confidently

## Audience

This course is intended for

- Managers, directors and CEOs who give presentations at company events
- Sales and business development teams who need to give presentations for prospective clients
- Technical, training or administrative staff
- Anyone who would like to improve their ability to present to groups
- Anyone who needs to influence others, either socially or commercially
- Anyone who is expected to give a public presentation

## Training Methodology

Advanced Presentation Skills course is designed carefully to utilise a variety of proven learning techniques. This includes:

- Personal Coaching
- Group exercises
- Case studies
- Question and answer sessions
- Take home notes encompassing all the key learnings
- The chance to be recorded on camera (if you wish) so you can continue your learning at home

## Summary

The most important key to increasing your credibility as a professional is to deliver an effective and memorable presentation. Advanced Presentation Skills course is designed to help any professional to master presentation skills. In this course, you will learn how to plan and prepare for your presentation, analyse the audience, use impactful visual aids, organise your thoughts using mind mapping techniques, and effectively incorporate supporting materials.

The course will include activities to learn how to stay calm, reduce nervousness, and feel more confident in the room. It will also cover how to handle audience questions and maintain their interest easily. Each participant will be expected to present a number of presentations with full coaching, and feedback will be given
