

SALES VS MARKETING

Advanced Sales And Marketing Mastery

Duration: 5 Days

Language: en

Course Code: PM1-117

Objective

Upon completion of this course, participants will be able to:

- Develop advanced sales techniques and strategies.
- Understand modern marketing principles and their application.
- Enhance communication and negotiation skills.
- Learn to manage customer relationships effectively.
- Gain insights into digital marketing and data analytics.

Audience

This course is intended for

- Sales professionals looking to enhance their skills.
- Marketing professionals aiming to understand advanced strategies.
- Business development managers.
- Entrepreneurs and business owners.

Training Methodology

This course uses a variety of adult learning styles to aid full understanding and comprehension. Participants will review case studies to highlight key areas of importance and possible areas for faults. They will be supplied with the best tools required for learning exercises to improve their skills. Participants will analyse the examples to understand how these skills, techniques and methods apply in the workplace.

Summary

This intensive programme is designed to equip participants with advanced skills and knowledge in sales and marketing, ensuring they stand out in a competitive marketplace. The course combines theoretical understanding with practical application, covering key areas essential for sales and marketing success.
