

## Advanced Contract Administration & Management

**Duration:** 5 Days

**Language:** en

**Course Code:** PO5 - 115

### Objective

Upon completion of this course, participants will be able to:

- Understand the fundamentals of contract administration and management.
- Develop skills to negotiate, execute, and enforce contracts effectively.
- Implement strategies for risk management and compliance.
- Enhance abilities in dispute resolution and contract closeout.

- Apply best practices for managing contractor performance and relationships.

## Audience

This course is intended for

- Contract managers and administrators
- Procurement and supply chain professionals
- Project managers and coordinators
- Legal and compliance officers
- Anyone involved in contract management within an organisation

## Training Methodology

This course uses a variety of adult learning styles to aid full understanding and comprehension. Including:

- Interactive lectures and discussions
- Practical case studies and real-world examples
- Group projects and collaborative exercises
- Hands-on training with contract management tools

## Summary

This comprehensive course is designed to provide participants with the skills and knowledge required for effective contract administration and management. Emphasising practical application and strategic thinking, the course covers the entire contract lifecycle, from negotiation and execution to performance and closeout. Participants will learn to navigate legal and regulatory requirements, manage risks, and ensure contractual obligations are met, enhancing their ability to manage complex contracts successfully.
