

Strategic Sports Business Management

Duration: 5 Days

Language: en

Course Code: IND15 - 125

Objective

By the end of this course, participants will be able to:

- Understand the key elements of strategic sports business management.
- Build strong financial plans for sustainable sports operations.
- Develop and implement effective marketing strategies.
- Manage operations, resources, and logistics in sports organizations.
- Identify new trends and innovate within the sports industry.

Audience

This course is ideal for:

- Executives and managers in sports organizations.
- Club directors, team owners, and sports administrators.
- Entrepreneurs in the sports and entertainment sector.
- Marketing, sponsorship, and business development professionals in sports.

Training Methodology

Participants will learn through a blended approach that includes instructor-led sessions supported by clear visuals and real-world case examples. Interactive group discussions, strategic planning exercises, and analysis of sports business scenarios will help deepen understanding. Participants will also work with financial models, marketing templates, and operational checklists designed specifically for the sports industry.

Summary

"Strategic sports business management" course provides a comprehensive introduction to the strategic management of sports businesses. It explores the key elements needed to build, operate, and grow successful sports organizations, including governance, financial planning, marketing, and operational management. Participants will gain practical insights into industry trends, innovation strategies, and how to create sustainable business models in the competitive world of sports. Whether you are managing a sports team, launching a new venture, or leading operations in an established organization, this course will equip you with the tools and strategic mindset to thrive.
